Tony Sly - Dark Corner
Cm
Wrote this when I was 39
      G#
Still in my head but out of mind
    Eb **G**
But there is something inside I cant resolve
  Cm
A portrait of a perfect life
    G#
Two lovely kids, a loving wife
  Eb **G**
A servant to the things I cant control
G# **Eb**
In this heart there is a dark corner
       Bb **Gm**
With a space for everyone
   G# **Eb**
I give it all and try until my river is dry
      Bb **G#** **Eb**
But i feel like less when everyone moves on
  Cm
I wonder if Ive spent my days
G#
Trapped in an adolescent cage
Eb **G**
Just pondering the future of us all?
Cm
Stated opinion, given back
    G#
The best that I can, stay on track
    Eb
For most of it I cant remember
G
Where we took the fall?
G# **Eb**
In this heart there is a dark corner
        Bb **Gm**
With a space for everyone
   G# **Eb**
I give it all and try until my river is dry
      Bb **G#** **Eb**
But I feel like less when everyone moves on
      Bb **G#** **Eb**
Yes I feel like less when everyone moves on
