Flying South
Tony Sly

```
            Eb          Bb              Cm              Gm
If I could sleep tonight then we wouldn t have to fight
      Cm             Gm              Fm          Bb
About nothing going right so tell me what to do
               Eb      Bb     Cm              Gm
Should I write you a song about two minutes long?
       Cm             Gm             Fm           Bb
Not enough time to explain may be enough for you
                   Cm       G#          Eb              Bb
You see that I am flying south for the winter once again
                 Cm      G#         Bb
I feel like I am bailing out on my only friend
                   Eb          Bb     Cm             Gm
Aside from all the things we do to make each other blue
        Cm            Gm
Can you forgive me again?
         Fm            Bb
I am the one to blame
            Eb              Bb
You ve been there all the time
      Cm             Gm
I m a missing person sign
      Cm               Gm               Fm              Bb
But I hope that we can find all that we have misplaced
                   Cm       G#          Eb              Bb
You see that I am flying south for the winter once again
                 Cm      G#         Bb
I feel like I am bailing out on my only friend
              Cm       G#            Eb
I am like the wind in your sinking sailboat
         Fm              G#     G#m   Eb
Stuck at the dock without you
            Eb          Bb              Cm              Gm
If I could sleep tonight then we wouldn t have to fight
      Cm             Gm              Fm          Bb
About nothing going right so tell me what to do
               Eb
Please tell me what to do
```
