Intro
_____

```
G|---------------------(5)-----7-7-------------------------------------------
---|
D|---(5)(5)---(7)(7)----------------------------(5)(5)-(7)(7)----------16-16---
---|
A|-7--------7--------7-----5-5-----5~~~~~~~~~~-7-------7------7/14-14-14-----14=
==|
D|----------------------------------0~~~~~~~~~~-------------------------------
---|
```

Once the guitar moves in to support the song, go to this

```
G|--------------------|
D|-12~~~14~~14-9-9-9--|
A|-10~~~12~~12-7-7-7--|
D|--------------------|
```

Slow Riffs

```
G|---9--11--14|
|---9--11---11-------|---9--116-116---------|
D|-9-----------|         OR
|-9------11---11-----|-9----------------------|
A|-------------|
|--------------------|------------------------|
E|-------------|
|--------------------|------------------------|
```

The way he does this song is hard to tab because of the effect the song has in the music, so it s either one of this, both sound fine to me!
