

**Just Another One
A Rocket To The Moon**

F **C** **G**
She started dancing at the second that she heard the music play
Am **G**
(She s always moving)
F **C**
She looks at me but then I look back at her
G
She turns away
Am **G**
(She knows exactly what she s doing)
F **C** **G**
She moves closer and I m thinking to myself that she s all mine
Am **G**
(She s all mine)
F **C** **G** **Am** **G**
We start talking and she takes my hand like she does this all the time
F
Go! Go! Go!
C **G** **Am G**
You never had the time because you move too slow
F
And I know, know, know
C **G**
That she could care less about love
Am **G**
It s just for fun
F
I m just another one

same for the next verses

F
Cause she can t
C
Ever fall in love
G
Cause this is who she is
Am G F
And this is all she knows
