Young girl with a broken heart
C **G**
Walking home alone
C **G**
Teardrops made of Maybelline

On a goodbye note

She almost didn't see

Walkin' right out of her dreams
And she said

We're never gonna know it all

Like houses, we will fall

And break in stormy weather

And be put back together better

We're never gonna know the way

Never know which words to say
C **C/B** **Am** **C** **D**
And don't you worry it'll be okay

Why's it always stormin'

Why are we so lonely

Before it's said and done
