Drift Off To Dream
Travis Tritt

Drift Off To Dream

Played in 3/4 time. Each measure gets 3 beats.

[Intro]
F | **Bb** | **C** | **Bb**
F | **Bb** | **C** | **Bb**

[Verse 1]
```
     F                       Eb
As I sit here surrounded by people and lights
Bb                           F  Bb
Alone with my drink at the bar
       F                     Eb
You ve been here forever so clear in my mind
Bb                            F
I just don t know where you are
      C         Am           Dm
But I know I ll find you but girl  til I do
Bb                         C   C2
This is my love song for you
```

[Chorus]
```
               F                                  C
Let s hold hands on the porch swing under the moon
          Bb                         F          C
While the wind through the willows plays us a tune
       F                     C
We can lie on a blanket out back in the yard
    Bb                          F        C
And wish for our furture on a far away star
    Dm                          Dm/add C#
And you ll feel the passion as time after time
Dm7                         G7
I press your sweet lips to mine
       F                  C
We can dance to the radio right up  til dawn
         Bb            C           F  Bb  F
 Til you drift off to dream in my arms
```

[Verse 2]
```
 F                       Eb
You might be hundreds or more miles away
   Bb                          F   Bb
Or you might be just down the street
    F                        Eb
But there ll be a hunger so deep in your eyes
```

```
     Bb                      F
That I ll recognize when we meet
C             Am       Dm
It might take hours or it might take years
    Bb                         C
But this is the song you will hear

[Chorus]
               F                                    C
Let s hold hands on the porch swing under the moon
          Bb                        F          C
While the wind through the willows plays us a tune
       F                    C
We can lie on a blanket out back in the yard
    Bb                         F        C
And wish for our furture on a far away star
    Dm                         Dm/add C#
And you ll feel the passion as time after time
Dm7                        G7
I press your sweet lips to mine
       F                  C
We can dance to the radio right up  til dawn
         Bb            C           F  Bb  F
 Til you drift off to dream in my arms

[Ending]
    Dm                         Dm/add C#
And you ll feel the passion as time after time
Dm7                        G7
I press your sweet lips to mine
       F                  C
We can dance to the radio right up  til dawn
        Bb             C           F
 til you drift off to dream in my arms
```
