Sea
Travis

IÂ´m not quiet sure bout this but it does sounds right to me!

Intro with Am(and E if you like to)

```
Am                  E
They say she is so strong and brave
C                 Dm
Flexing out with every wave
E              Dm
Many ancients sailors graves
    C                  Dm
The sea will save them all

(just like the verse before)
And what a day for us to swim
Thunderous arms are closing in
They re hugging us like kith and kin
Pull us in below

Chorus:
E                   Dm
And I was wondering why
C                    Dm
Why should we float?
E                        Dm
When you can swallow the sky
C                          Dm
When you can swallow gray boats

Am                    E
They say the moon controls the sea
C                Dm
Hand in hand in harmony
E                 Dm
Maybe that s like you and me
C            Dm
Eternally to be

And you will crash against the land
Turning rocks into the sand
We ll do it like we always planned
Just hand in hand alone

Chorus one time and out with Am

So,here you go
```
