F#                          C#
you re life is spinnin outta control
          Ebm                  B
seems the whole worlds out to get you
F#           C#                  Ebm   B
everythings wrong nothin seems right
           F#             C#
theres a sinking feelin inside
          Ebm                     B
even your best friends turned his back
F#                             C#                     Ebm   B
but you cant let it bring you down no youve got to fight
        Ebm           C#      B
cuz you try but you cant let go

F#                                      C#
its when your down that you gotta get up
     Ebm                       B
dont let em walk all over your face
F#                 C#                       Ebm       B
stand up for yourself and make everything right again
F#                           C#
even if some guys tryin to blackmail you
           Ebm                  B
and your girlfriend thinks you suck
F#                         C#                                  Ebm
   B
its up to you to let them know that it was all part of some rich guys plan
Ebm                      C#
look out ahead theres a truck changin lanes
    B
you got some yellow crumbs on your upper lip
Ebm                                 C#
those warts on your dick aint gonna go away
            B
unless you start usin topical cream everyday
