[Verse 1]
G# **Fm**
This is the sound we make
Cm **Bb**
When inbetween two places
G# **Fm**
Where we used to bleed
Cm **Bb**
And where our blood needs to be

[Verse 2]
G# **Cm**
In city, I feel my spirit is contained
Bb **G#**
Like neon inside the glass, they form my brain

But I recently discovered
Cm
It s a heatless fire
Bb **G#**
Like nicknames they give themselves to uninspire
Cm
Begin with bullet, now add fire to the proof
Bb **G#**
But I m still not sure if fear s a rival or close relative to truth
Cm
Either way it helps to hear these words bounce off of you
Bb
The softest echo could be enough for me to make it through

[Bridge]
Cm **Fm** **G#** **Bb**
Folina Sahlo
