```
F                              Bbadd9     Dm C
There once was an answer out there I swear
F                   Bbadd9      Dm C
Tied to a bottle I swear, I swear
             F                  Bbadd9          Dm C
And you can ask the Madonna if she cares, she cares
            F                    Bbadd9      Dm   C
But she s hooked on the bottle I swear, I swear

Bb         C                 F
You know you know it s the end of our sweet universe
Bb         C                 F
You know you know that we blame it on ourselves

F         Bb
I wanted to laugh it off
F              Bb             C
And I want to forget that I got caught
F     A         Bb
And I wanted to laugh it off
       F                        C      Bb
Make a beast of myself just to kill them all
