Thank God For Sinners
Ty Segall Band

```
D         C               A#                        G
      I m out on the streets you know
F          G                A
      I m looking for you
D          C                  A#                       G
      You give me the sweets you know
F           G                  A
      You know I m not prude so
D             C           A#       G
     Thank god for sinners
F              G                  A
     Thank god for your love
G
     In the morning
F
     I ll rise up
```

solo

There s a hole in my heart you know
And you know what to do
Won t you please just stop me now
So I can make it through
Thank god for sinners
Thank god for your love
In the morning
I ll rise up

solo

Thank god for sinners
Thank god for your love
In the morning
I ll rise up

My first (chord) tab! When he plays it live I think he likes to hit G# before the G on
the walk down, but I wrote this according to the record.
