Mary song by Tyler ward

CAPO 5.

I did this tab a bit easier just so you can change the CAPO to 1,2,3,4 or 5. Cause
the tune is a bit high in this song. Well, i hope you enjoy it.

```
Em            C                                G
She let her hair fall down from the side
             D     Em
As the tears fell on the sheet
  C        G
She had given more than who she was
 D
To the world

Em       C
Will you hold her up
       G
Or let her fall
D       Em
Or stand strong without withering
         C       G
With just a word I will lift you up
    D         Em
A word of love can change anything

Em
cause you take away
   C  D
please take away my pain
Em
and I need this change
      C slide up to D
things will never be the same

Em  C  G
he looked her in the eye with passion
  D  Em
he spoke the word that said it all
        C         G
no matter what you have done I love you
```

```
 D     E
and ill love you through it all

        C
ill hold you up
   G
cause its tearing you down
  D   Em
some mighty strong flower withering
        C      G
with just a word I will lift you up
      D        Em
a word of love can change anything

Em
and ill take away
   C slide to D
I will take away your pain
Em
And you need this change
   C slide to D
It wont ever be the same      YEAHH!!!
