Ill Be Your Baby Tonight
UB40

UB 40 - Iâ€™LL BE YOUR BABY TONIGHT

```
F#
Close your eyes - close the door
                  G#         G#7
You don t have to worry any more
B       C#              F#      C#
I ll be your baby to - night

         F#
Shut the light - shut the shade
           G#          G#7
You don t have to be afraid
B       C#              F#     F#7
I ll be your baby to - night

          B
Well, the mockingbird s gonna sail away
F#
We re gonna forget it
G#7
Big old moon s gonna shine like a spoon
C#                    C#7
We re gonna let it - you won t regret it

           F#
Kick your shoes off - do not fear
           G#           G#7
Bring that bottle over here
B        C#             F#
I ll be your baby to - night
F#
Be my baby   Be my baby
G#
Be my baby   Be my baby
B       C#              F#     F#7
I ll be your baby to - night

          B
Well, the mockingbird s gonna sail away
F#
We re gonna forget it
G#7
Big old moon s gonna shine like a spoon
C#                    C#7
We re gonna let it - you won t regret it
```

```
            F#
Kick your shoes off - do not fear
            G#             G#7
Bring that bottle over here
B       C#               F#
I ll be your baby to - night
F#
Be my baby   Be my baby
G#
Be my baby   Be my baby
B       C#               F#
I ll be your baby to - night
B       C#               F#
I ll be your baby to - night
B       C#               F#
I ll be your baby to - night
```

HOPE YOU ENJOY -   GARRY SMYTHE
