Belladona
UFO

(afinação 1 tom abaixo)

Am **Em**
Oh belladonna, never knew the pain
C **Dm** **G**
Maybe I m crazy, maybe it ll drive me insane
Am **Em**
The open letter just carelessly placed
C
And your moving silence,
Am
The tea so delicately laced

Dm **G** **C** **Am**
Out of reach, out of touch
Dm **G** **Am**
How you ve learned to hate so much
Dm **G** **C** **Am**
Out of reach, out of touch
Dm **G** **Am**
How you ve learned to hate so much

Am **Em**
Came from passion, and you gave it a name
C **Dm** **G**
The fingers of poison like needles in the drivin rain
Am **Em**
So smile discreetly as you watch with such grace
C **Am**
Now I must slip away, but can you forget my face
