Could This Be Magic?
Van Halen

This is the main riff throughout the whole song. I have seen this same tab in many other
and I ve made a few corrections. As you can gather from the song, it is best played on
aucoustic.

```
e|-------------------------------------------------------|
B|-------------------------------------------------------|
G|-7-8-9-8-7-8--5--3-----------------------------------|
D|--------------------2-3-4--2-3-4-3-0--------2--------|
A|-------------------------------------------------------|
E|----------------------------------------3p0-----------|
```

Email me if you have questions or corrections, id like to perfect it.
