G7 320000
Am7 x02010
F 133211 or substitute xx3210
G/B x20003
Dm7 xx0211

*Hit the open E string before each C chord in the chorus
 the F# note can be played with both the D 200232 & D7 200212

Am
They say it s a river
Ab
That circles the earth
C
A beam of light shining
D7
To the edge of the universe
F **G**
 It conquers all
F **G**
 It changes everything

Am
They say it s a blessing
Ab
They say it s a gift
C
 They say it s a miracle
  D
And I believe that it is
F **G**
 It conquers all
F **G**
 But it s a mystery

---------Chorus 1 *
C **F** **G**
Love breaks your heart
C **F** **G**
  Love takes no less than everything
C **F** **G**

```
  Love makes it hard
         Bb          Dm       G7
But it fades away so easily

Am
In this world we ve created
Ab
In this place that we live
C
In the blink of an eye, babe
D7
The darkness slips in
F                   G
 Love lights the world
F                   G
 Unites the lovers for eternity

---------Chorus 2 *
C        F          G
Love breaks the chains
C         F          G
  Love aches for everyone of us
C        F          G
Love takes the tears and pain
        Bb                Dm             G7
And it turns it into the beauty that remains

Am7              F
  Look at this place
       G/B           F        C
It was paradise but now it s dying
Dm7       C        F
  I ll pray for love
Dm7         C         G
  I ll take my chances that it s not too late

-------Repeat Chorus 1 & 2
