Soulweeper
Volbeat

This is my first tab so bear with me. I am pretty sure this is accurate. It is in D
Standard but if you want to play this and go into Soulweeper 2 you have to bring it up 2
half steps. Or 1 whole.

Intro:

```
 D    D C# B          B C# A            Bb#
SO sad       so afraid        So frantic
```

Instrumental 1:

```
 D    D C# B          B C# A            Bb# (2x)
```

Verse 1:

```
 D                    G#
Well I found you girl, and see how it turned,
 C#                Bb#
I m so sorry that I put your heart on fire
 D                  G#
But I love you too, and I know I should ve
C#                      Bb#
Told you way back then that I wasn t ready yet
```
