We
Volbeat

-INTRO-
C C
C Am
It s good to be here, long time no see my dear
F
I took the run out to the road to find a way
G
But the loneliness broke into tears

ohohoh

C
I believe I was wrong but baby
Am
Now I know your love is not a thing
F
You throw out in the cold and walked away
G
I m so sorry, please say you forgive

C
ohohohoh

-BRIDGE-

C Am F G
Ohohohohohohoh.....

-VERSE- (Note: I only play the base note of F#m)

C
Close your eyes baby and lend me your finger
F F (F#m) **Dm**
Together we walk out as one..... No lonely nights, broken promises or
G
fights will return anymore

C
I remember a time I believed I was fine
F F (F#m) **Dm**
But inside my heart broke down in two.....Something inside starts
G
to burn like a fire and I knew it was you

-CHORUS- (Note: I only play the base note of F#m)

F **G**
We re broken and damned
C **Am**
But together we ll find a way
F **G**
And no longer shall hell await
Am **F** **F** (F#m) **F**
We will seek all the light in the day
G
Cause forever our love will breathe

-BRIDGE-

C Am F G
Ohohohohohohoh.....

-VERSE-
(play as above)

Close your eyes baby and lend me your finger
Together we walk out as one
No lonely nights, broken promises or fights will
Return anymore

I remember a time I believed I was fine
But inside my heart broke down in two
Something inside starts to burn like a fire
And I knew it was you

-CHORUS-
(play as above)

We re broken and damned
But together we ll find a way
And no longer shall hell await
We will seek all the light in the day
Cause forever our love will breathe

-SOLO-

-CHORUS-
(play as above)

We re broken and damned
But together we ll find a way
And no longer shall hell await
We will seek all the light in the day
Cause forever our love will breathe

C Am F G
Ohohohohohohoh.....
