

**Buggin Out**  
**A Tribe Called Quest**

>From the Album Low End Theory

This is a really easy bassline, but it's mad fun to play. It's looped on the album, so it's a good way to practice your timing... (kinda like Stupid Girl by Garbage)

```
G: |-----|  
D: |-----|  
A: |--1-----3-5-1---|  
E: |----1-0-----|
```

Repeat ad nauseum.
