Verse 1:
E B D A
Everything I do, I do with William Shatner
Loosing all my hair while my bellyâ€™s growing fat-ner
And when I drink too much, he holds my hair in his hands
And while Iâ€™m blowing chunks, he treats me like the captain

Chorus:
G# E G#
Oh-----, when we get together we boldly go----
E G#
Talk about our favorite episodes
F# (strum once and mute)
I donâ€™t want to go to work
F#
Just want to hang with Captain Kirk
F# E-B-D-A--- E-B-D-A---
And if I had my way Iâ€™d make it so

Verse 2:
E B D A
Everything I do, I do with William Shatner
We drink a couple of brews, go to the Laundromat-ner
When our clothes are dry, we fold them up together
â€˜Cause everything I do, I do with William Shatner

::Repeat Chorus::
::Solo::

G# E G#
Hey---, spend more time with him than George Takei
E G#
Say full speed ahead and weâ€™re on our way
F#
He is so mysterious
F#
His middle nameâ€™s Tiberius
F# E-B-D-A-- E-B-D-A--
And heâ€™ll make me his cabin boy someday, someday
E-B-D-A---
Hey Bill â€“ Letâ€™s go get a tan

E-B-D-A---
Hey Bill â€“ And a green woman
E-B-D-A---
Hey Bill â€“ Weâ€™ll kill some Romulans
E-B-D-A---
Hey Bill â€“ Iâ€™m your number one fan

E B D A
â€˜Cause everything I do, I do with William Shatner
We go to the rodeo and put on our cowboy hat-ners
When we paint the town, we buy each other dinner
Weâ€™re fully functional, Just like Brent Spiner (spiner)
Everything I do, I do with William Shatner
And donâ€™t you wish that you could do it too
