Tuning: Standard (EADGBe)
This song is really fun and easy to play. You can pretty much just play the
same thing
the whole time. Enjoy!
C
Can I kick it? (yes, you can!) \ x3
Can I kick it? (yes, you can!)/
Can I kick it? (yes, you can!)
Well, I m gone (go on then!)
Can I kick it? to all the people who can quest like A Tribe does
Before this, did you really know what live was?
                  C
Comprehend to the track, for it s why, cuz
                        Am
Gettin measures on the tip of the vibers
                     C
Rock and roll to the beat of the funk fuzz
Wipe your feet really good on the rhythm rug
                       C
If you feel the urge to freak, do the jitterbug
                          Am
Come and spread your arms if you really need a hug
Afrocentric living is a big shrug
A life filled with - that s what I love
                C
A lower plateau is what we re above
If you diss us, we won t even think of
Will nipper the doggy give a big shove?
                   Am
This rhythm really fits like a snug glove
```

```
Like a box of positives is a plus, love
As the tribe flies high like a dove
CHORUS: just keep doing the same thing a few times
Can I kick it? (yes, you can!) \ x3
Can I kick it? (yes, you can!)/
Can I kick it? (yes, you can!)
Well, I m gone (go on then!)
Can I kick it? to my Tribe that flows in layers
                 Αm
Right now, Phife is a poem sayer
At times, I m a studio conveyor
                       Αm
Mr. Dinkins, would you please be my mayor?
You ll be doing us a really big favor
Boy this track really has a lot of flavor
When it comes to rhythms, Quest is your savior
                  Am
Follow us for the funky behavior
                   C
Make a note on the rhythm we gave ya
                     Αm
Feel free, drop your pants, check your ha-ir
Do you like the garments that we wear?
                  Am
I instruct you to be the obeyer
A rhythm recipe that you ll savor
                         Am
Doesn t matter if you re minor or major
Yes, the tribe of the game, rhythm player
As you inhale like a breath of fresh air
CHORUS AGAIN
```
