G C        D    G         G/A
I was sitting in the Hollywood Hawaiian Hotel
          C         D                   Em
I was staring in my empty coffee cup,
          B                        B7                   Em        Am
I was thinking that the gypsy wasn t lyin ,
            Gsus4                              G              Dsus4
           D
All the salty margaritas in Los Angeles,  I m gonna drink  em up

            C      D          C       G
And if California slides into the ocean,
    C           Bm         Am    G
Like the mystics and statistics say it will,
Ddim6            Bm         Am                 G
I predict this Motel will be standing, until I pay my bill.
(C - D)

                       C  Bm  Am    D                 G
But don t the sun look angry through the trees,
     C    Bm         Am    D    Em
Don t the trees look like crucified thieves,
                  Em          Am7
Don t you feel like desperados under the eaves,
Am7                 Dsus4  D   Gsus4   G
Heaven help the one who leaves.

Am     Em
Still waking up in the morning with shaking hands,
    G        D       Em
And I m trying to find a girl who understands me,
```

```
 B   B7        Em    D
But except in dreams you re never really free,
      C  Bm  Am    D  G
Don t the sun look angry at me.
          C        D    G       G/A
I was sitting in the Hollywood Hawaiian Hotel,
          C                     D                      Em
I was listening to the air conditioner hum,  It went,

(Em   G/C  G)            (C  G  D)
Ummm
Look away down, Gower avenue, look away.
