A Tribe Called Quest

I think this song s played on a five string upright bass. But if you re like me and just a four string electric bass, you put it in drop D and play it like this:

```
G|-----|
D|-----1-----1-----1-----1-----2-----2-----|
A|---1---1---1---1---1---1---1---2---2---2---|
D|-1-----1-----x-1---1-----1-----x1-----2-----2-----x-2---|
```

```
G|-----|
D|-----2-----2-----*-|
A|---2---2---2---2---*-|
D|-2---2---x-2---|
```

And if you have a five string, play it like this:

```
G|-----|
D|-----|
A|-----6-----6-----6-----6-----7-----7-----|
E|---6---6---6---6---6---6---6---7---7---7---| etc.
B|-4---4---x-4---4---4---4---x-4---5---5---x5---|
```

Well, that s it. It really sounds much better on an upright, but an electric will do.
is played through the whole song, but it s better if you ass some things to it,
just be
and enjoy.
