Devotion
Weezer

Album: El Scorcho (Single/Ep)

Tuning: half step down

Intro Riff:
```
E         F#        B       E
-------12-14-16-16-14-12----16-14-12----12-----------------------------
-12-12-------------------14----------14----14-12~~---------------------
-------------------------------------------------------------------------
-------------------------------------------------------------------------
-------------------------------------------------------------------------
-------------------------------------------------------------------------
```

Verse 1:
```
Em              F#         B                         Em
Suddenly our shortcomings don t seem to matter that much
Em              F#            B
Your IQ is 20 points low and I m no Six Foot Hot Look
Em
All American Man
```

Pre Chorus 1:
```
C#             A
Sad to say I pushed you away
 B                    Em
waiting for  Mrs. Right
```

Chorus:
```
highE      B
You never gave up
  Em        F#             B                      Em
Em        F#               B                    Em
I too am waiting for you, I ll always be your friend
```

Interlude:

```
E         F#        B       E
-------12-14-16-16-14-12----16-14-12----12-----------------------------
-12-12-------------------14----------14----12~~-----------------------
-------------------------------------------------------------------------
-------------------------------------------------------------------------
-------------------------------------------------------------------------
```

Verse 2:
I commend your stubborness
without it we d never got this far
I am done with perfection

Chasing her leaves me with nothing but pain

Pre Chorus 2:
Unlike you, she isn t true
She s got her own concerns

Chorus:
You never gave up
you ll always be my girlfriend
I toowaiting for you,
I ll always be your friend

Solo:

```
    Em          Am          B           E
