Secreting those enzymes (bap bap bap)
F Dm
Secreting those hormones too
Bb F
Metabolizing carbohydrates
G G7
Just for me

C
Ba-ba ba ba-ba ba ba ba-ba ba ba
My pancreas
Bb
Ba-ba ba ba-ba ba ba ba-ba ba
My pancreas
C
Ba-ba ba ba-ba ba ba ba-ba ba ba
My pancreas
Bb

Ba-ba ba ba-ba ba ba ba-ba ba
My pancreas
C
Ba-ba ba ba-ba ba ba ba-ba ba ba
My pancreas
Bb
Ba-ba ba ba-ba ba ba ba-ba ba
My pancreas
C C7
Oooooh

Bb C
My pancreas attracts every other
F Dm
Pancreas in the universe
Gm C7
With a force proportional
F F7
To the product of their masses
Bb C
And inversely proportional
F Dm
To the distance between them

Woo woo woo woo

Don tcha you know you gotta
F Gm
Flow, flow, flow, pancreatic juice
C
Flow, flow, into the deuodenum
Won tcha
F Gm
Flow, flow, flow, pancreatic juice
C
Flow, flow, into the deuodenum
F
Insulin, glucagon
(Won tcha flow, flow, flow, pancreatic juice)
Gm C
Comin from the islets of Langerhans...
(Flow flow, into the deuodenum)
F
Insulin, glucagon
(Won tcha flow flow flow, pancreatic juice)
Gm C
Comin from the islets of Langerhans...
(Flow flow, into the deuodenum)

F
Lipase, amylase, and tripsin
[Insulin, glucagon]
(Won tcha flow, flow flow, pancreatic juice)

```
Gm                      C
  They gonna help with our digestion
[Comin  from the islets of Langerhans...]
(Flow flow, into the deuodenium)

F
Can t you see I love my pancreas
{Lipase, amylase, and tripsin}
[Insulin, glucagon]
(Won tcha flow flow flow, pancreatic juice)
Gm              C
   Golly-gee I love my pancreas
{They gonna help with our digestion}
[Comin  from the islets of Langerhans...]
(Flow flow, into the deuodenum)
F
Can t you see I love my pancreas
{Lipase, amylase, and tripsin}
[Insulin, glucagon]
(Won tcha flow flow flow, pancreatic juice)
Gm             C
   Golly-gee I love my pancreas
{They gonna help with our digestion}
[Comin  from the islets of Langerhans...]
(Flow flow, into the deuodenum)
F
Can t you see I love my pancreas
{Lipase, amylase, and tripsin}
[Insulin, glucagon]
(Won tcha flow flow flow, pancreatic juice)
Gm             C
   Golly-gee I love my pancreas
{They gonna help with our digestion}
[Comin  from the islets of Langerhans...]
(Flow flow, into the deuodenum)
F                                fade out
Can t you see I love my pancreas
```
