I'm Your Baby Tonight
Whitney Houston

Intro: **Em A7 C B7**

Em
From the moment I saw you
A7
I went outta my mind
C
Though I never believed in
B7
Love at first sight

Em
But you got a magic boy
A7
That I just can t explain, well
C
You gotta, you gotta way that you re making me
B7
Feel I can do, I can do
Em
Anything for you baby
F
I ll be down for you baby
G B7
Lay all my cards out tonight
Em
Just call on me baby
F
I ll be there in a hurry
G
It s your move so baby
Em B7
Baby decide

Chorus:
B7 Em
Whatever you want from me
G Em
I m giving you everything
Am C B7
I m your baby tonight
B7 Em
You ve given me ecstasy
G Em
You are my fantasy
Am C B7
I m your baby tonight

```
Em
From the second you touched me
A7
I was ready to die
C
I ve never been fatal
B7
You re my first time
Em
I feel like an angel
A7
Who just started to fly
     C
Well you gotta, you gotta way that you re making me
B7
Feel I can, feel I can do
   Em
Anything for you baby
F
I would run for you baby
G                      B7
Hold on and enjoy the ride
    Em
I m not in no hurry
F
We can fly all night baby
G
It s your move now baby
Em         B7
Baby let s fly

Chorus:
B7           Em
Whatever you want from me
               G    Em
I m giving you everything
Am       C      B7
I m your baby tonight
                Em
You ve given me ecstasy
            G   Em
You are my fantasy
Am       C      B7
I m your baby tonight

B7           Em
Whatever you want from me
               G    Em
I m giving you everything
Am       C      B7
I m your baby tonight
                Em
You ve given me ecstasy
```

```
            G   Em
You are my fantasy
Am       C      B7
I m your baby tonight

Bridge:
Em
Whatever I do boy
C
It s all about you baby
Em
And ain t it the truth boy
C              B7           Em
I m helplessly in love with you
Em
What else I can do boy
C
But be there for you baby
Em
You gotta, you gotta way that you re making me
C
Feel I can, feel I can
B7              Em
Do any... do anything - yeah!

 | Em | A7 | C | B7 |
| Em | A7 | C | B7 |

Chorus:
B7           Em
Whatever you want from me
               G    Em
I m giving you everything
Am       C      B7
I m your baby tonight
B7              Em
You ve given me ecstasy
            G   Em
You are my fantasy
Am       C      B7
I m your baby tonight

Bridge:
Em
Looks like I m fatal, it s all on the table
    G                  Em
And baby you hold the cards
A7
You got the magic and I ve got to have it
  C                        B7
I don t want the pieces, I want every single part
Em
I ll be your angel, I m ready and able
```

```
   G                   Em
Whatever you want is fine
    A7
Whenever you re ready, just call on your lady
         C       B7     Em
And I ll be your baby tonight

Interlude (piano):
 | Em | A7 | C | B7 |
| Em | A7 | C | B7 |

Chorus (repeat to fade):
B7           Em
Whatever you want from me
               G    Em
I m giving you everything
Am       C      B7
I m your baby tonight
B7              Em
You ve given me ecstasy
            G   Em
You are my fantasy
Am       C      B7
I m your baby tonight
```
