A1

**B** **F#**  
Lately, I m not who I used to be

**E**  
Someone s come and taken me

**C#m** **F#**  
Where I don t wanna go

**B**  
If I knew

**F#**  
Exactly what I have to do

**E**  
In order to be there for you

**C#m** **F#**  
When you were feeling low

**C#m** **E**  
And all the things we ever wanted

**F#**  
Were was yours and mine

**B** **E**  
Now I know we can revive it

**C#m** **F#**  
All the love we left.....

(refrão)

**B**  
Everytime I kiss I feel your lips

**F#**  
And everytime I cry I see you smile

**E** **C#m**  
And everytime I close my eyes

**F#**  
I realise

**B**  
That everytime I hold your hand in mine

**F#**  
The sweetest thing my heart could ever find

**E**  
And I have never felt this way

**C#m**  
Since the day

**F#** **B**  
I gave your love away

( **B F#** )
