Secret Of The Sea
Wilco

CAPO ON 5th FRET

[INTRO]

D Am C

```
     G                  Em     D      G
     Who can guess the secret of the sea?
     C       G          Em     D      G
     Who can guess the secret of the sea?
     D                                   C             C/B
     If you can guess the secret of my love for you
             Am                  D             G   Gsus4   G
     Then we both could know the secret of the sea

C                  G             C             G
Tell me could you ever tell the secret of the sea?
         C            Em              D
Of these high rolling waves along the shore?
    G                 Am          D            G
The footprints of the lovers that come here to love
       Am                   D
By the tides washed away forever more

     G                  Em     D      G
     Who can guess the secret of the sea?
     C       G          Em     D      G
     Who can guess the secret of the sea?
     D                                   C             C/B
     If you can guess the secret of my love for you
          Am                     D             G   Gsus4   G
     Then we both could know the secret of the sea

C  G  Am G     C Em  D

    C                 G           C          G
You claim to know the secret of a kiss and a hug
    C             Em               D
The secret of the grass and of the trees
       G                Am          D             G
And if you can tell the secret of a warm friend s hand
        Am                 D             G
Then we all would feel the secret of the sea
```

[INSTRUMENTAL CHORUS]

```
G                  Em     D      G
Who can guess the secret of the sea?
C       G          Em     D      G
Who can guess the secret of the sea?
D                                  C             C/B
If you can guess the secret of my love for you
        Am                  D             G   Gsus4   G
Then we both could know the secret of the sea
   Am                  D             G
We both could know the secret of the sea
```
