Tuning: standard

                   E
Is the better part over?
                     F#                    B
Has the ragin  river turned into a stream?
                   F#
Is the better part over?
       E                 F#              B
Are we down to not quite sayin  what we mean?

                      E
And after thinkin  it over
                              F#               B
Wouldn t you rather have the endin  nice and clean
      A     E         F#       E        C#
Where love remains in all the closing scenes?
                     C#
If the better part s over

E
Why hang around
                                     F#
For an endin  that s laden with sorrow?
      F#
We ve both been around
      F#              F#7       B
We ve both seen that movie before

        E
And as much as I love you
                                   F#
I can t live while fearin  tomorrow

If the better part s over
     F#             F#7      B
Then why should we try anymore?

                   E
Is the better part over?
                     F#             B

the 3th fret of the e string during the D sometimes.
