Versel:

```

      C          F
Don t speak ,seal your lips
      G          Am
Please dont say a word
                        e |-----|
                        B |--7-8-8p7-5--|
                        G |-----|

```

```

      F          C/F          Dm
Maybe i wont remember the words
                        G
I have not heard
      C          F
I see that you re in love
      G          Am
I know it s not with me
                        e |-----|
                        B |--7-8-8p7-5--|
                        G |-----|

```

```

      F          C/F
But i dont want the truth to
      Dm          G
haunt my memory

```

Refrain:

```

      Am          Am+M7          Am7
It s never too late to relight the fire
                        AmG
It never stopped burning for me
      F          G

```

The flame, it never died inside of me

Chorus:

C F C G
 How is it now that i can tell you i love you
 C F
 How is it only now that it s too late
 Am G Dm
 What can i do, the love that we had is torn in two
 G
 So you take the smiles from all of eyes
 C
 And i ll take the tears
