Verse

```
G                C
When you re weary, When you re down and out
A                Cadd9
Lay your hands on me
G                C
I count my blessings, think of all I have
A                Cadd9
She never thought about it then threw it all away
G                A
Left it all to chance, She tore down fences
Cadd9                A
Now it seems so wasted wish she could turn back time.
```

Chorus 1

G A
Now she s down on her knees to pray
Cadd9 C
Baby please make it good, make it good somehow
G
She will do anything to change
C G
So please make it good, make it good somehow
G C A
Someone please
G C
When you re weary, when you re down and out
A Cadd9
Lay your hands on me

G C
had a vision. Time to make a stand
A Cadd9
for all she is to me, to turn her life around
G C
To take back yesterday s never easy
A G Cadd9
When you re wrong you re wrong. It seems impossible so

Chorus 2

Strum These Chords Slowly When Mark Says
Welcome To Your Revolution

G C
Welcome to your revoloution
G C A
What you dream is what you see
G Cadd9
There s no rules or regulations
G C A
Let the music set you free

G C
When you re weary, When you re down and out
A Cadd9
Lay your hands on me
