 G F G
You d hold me in your arms where I belong

I sing you one last song

Let me ask time has passed
Do you feel this could last
If you don t, why then stay
Take your wings, fly away
I love you way too much
To wanna be the one who brings you down

One last song I sing for you
Like I always did
This time it s for real
I never come to you like this
Expecting you to turn my kiss
Oh no no no no no

Oh yeah
