D--5---3---5---8---8
A--5---3---3---6---8
E--3---1---x---x---6
```

(chords are listed above the lyrics)

```
G#m                                F#
   you can tell it s just not right
        C#m                G#m
it s a sad and useless night
              C#m    G#m
and I don t see you
            E      G#m
I don t believe you
                            F#
broken down that red brick wall
             C#m             G#m
surrounding everything you saw
             C#m     G#m
and I don t see you
            E  B
I don t believe you

E           B                C#m   G#m
   I got to call you on the phone
E           B                C#m   G#m
   I need to talk to you alone
B           E                G#m
   and it s a mystery just how
             C#m                  B
I m going to talk to you right now
           E                 G#m
I m gonna reach you on the phone
```

```
            C#m              B
or you may never come back home

E  G#m  C#m

   B                       E                    G#m   C#m (x2)
believe me, believe me, believe me, believe me now (x2)

B

G#m                                   F#
   you can tell that something s wrong
          C#m              G#m
have I stuck around too long
              C#m    G#m
and I don t see you
           E    G#m
I don t believe you
                     F#            C#m             G#m
modern marvels, 90 miles, human beings, laser eyes
               C#m    G#m
and I don t see you
             E  B
and I don t need you

E           B               C#m   G#m
   I got to call you on the phone
E           B               C#m   G#m
   I need to talk to you alone
B           E               G#m
   and it s a mystery just how
          C#m                  B
I m gonna talk to you right now
              E                 G#m
I m going to reach you on the phone
            C#m              B
or you may never come back home

E  G#m  C#m

   B                       E                    G#m   C#m (x3)
believe me, believe me, believe me, believe me now (x3)
   B                       E                 G#m  C#m  B
believe me, believe me, believe me, believe me........now
```
