theres is something in the air

Em

D

C

D

come with me , we can go anywhere

Chorus (x2)

lose track of time

its gonan fly

baby dont have no worries

cuz there aint no better place to be (no no)

its after midnight

everythings goin right

your the only one for me

im your only invatation to the after party

there is something in the air
just take my hand, we can go anywhere

Chorus (x2)

bump bump

chicka chicka
bump bump
play some music
cause im crusin in my truck, now
with my peoples and im doin what i want
have a party and get up in the stuff
its a saturday night
now its like a party day
got no worries
so party like its a holiday
hey , hey
now we gotta go
hey , hey
what you say

everywhere we go its on
saturday night
(yeah) we will party, all night long
saturday night
(yeah)

Chorus (x4)
