Am

is it hard to go on
make them believe you are strong

E

don t close your eyes

Am

all my nights felt like days
so much light in every way

E

just blink an eye

Chorus:

Am

E

i used to be someone happy

Am

E

you used to see that i m friendly

- The same Chords as before from here on

all your smiles, all is fake, let me come in
i feel sick, gimme your arm
from the shadow, to the sun only one step and you ll burn
don t stay too high

i used to be someone happy
you used to see that i m friendly

is it why in your tears,
i can smell the taste of fears
it s all around
all my laughs, all my wings
they re engraved inside your ring
you were all mine
