

A Song For Sholom

Aaron Holder

G D Em C  
One People, with one solution  
G D Em C  
Going through the stains of time  
G D Em C  
One problem, we have unanswered.  
G D Em C  
Does he deserve to pay for these crimes.  
G D Em C  
Who has the right, and who deserves to fight for their life

Chorus

been a long time been a long year must stand up and fight for sholom  
been a long time been a long year we cant stay quiet any longer

G D Em C  
May 08, the US troops stormed the place  
G D Em C  
over eccentric, with their guns an planes  
G D Em C  
Giving life sentence to Sholom s name  
G D Em C  
All because he stayed behind to take the blame  
G D Em C  
Before I continue with this Terrible story  
G D Em C  
Let me bring you back in time

chorus

Em D Em D  
He could afford to buy almost anything  
Em D Em D  
But he chose to live life so modestly  
Em D Em D  
used his own money to support the needy  
Em D Em D  
And open schools around the world

chorus

G D , , , Em C  
Look at the C.E.O. largest car company in the world  
G D Em C  
blatant disregard of mechanical failures  
G D . . . . Em C  
Put s dozens of people, in the ground
