

**God And Guns**  
**Aaron Lewis**

[I hammer on the 3rd string while playing the D during the intro and during the verses.]

[Intro]

**D G**

[Verse]

**D** All the talking heads on T.V. **G** they re selling their lies. **D**  
**D** Saying their way is better for living my life. **G D**  
**D** And I m fed up with them set up all high on their hill. **G D**  
**D** Never gave a damn about a working man hell they never will. **G D**

[Chorus]

**A** You can say what you want to bout the things on hold true **G D**  
**A** And the fabric that makes up this red white and blue **G D**  
**D** Cause i ll fight for my country till the day that I m done **G D**  
**D** And I still got my God and I still have my guns **G D**

[Verse]

**D** I was raised up to stand up for what I thought was right **G D**  
**D** A tooth for a tooth and an eye for an eye **G D**  
**D** And do unto others as you d be done too. **G D**  
**D** But if you do me wrong mister got it coming to you. **G D**

[Chorus]

**A** So you can say what you want to bout the things on hold true **G D**  
**D** And the fabric that makes up this red white and blue **G D**  
**D** Cause i ll fight for my country till the day that I m done **G D**  
**D** And I still got my God and I still got my guns **G D**

[Bridge]

**D**                                  **G**                                  **D**  
But if ya want me come and get me I aint hard to find  
**D**  **A**  
A .45 on my hip, and the Lord on my side

**D G D**

[Chorus]

**A**  **G**                                  **D**  
So you can say what you want to bout the things on hold true  
          **A**  **G**                                  **D**  
And the fabric that makes up this red white and blue  
**D**  **G**                                  **D**  
Cause i ll fight for my country till the day that I m done  
          **D**  **G**                                  **D**  
And I still got my God and I still got my guns

[Outro]

**D**  **G**                                  **D**  
And i ll fight for my country till the day that I m done  
          **D**  **G**                                  **D**  
And I still have my God and I ll still have my guns
