Em7                D
Can t you see that I m sick of this?
      Em7                D
Chances are you re oblivious
      Em7
To how I feel
      D
Sitting on your throne
      Em7                D
And I m sure that I m not alone
      Em7    D
Not alone
      Em7    (Pause)
Not alone
```

C9

So tell me please

D

Who the fuck did you want me to be?

B4

Was it something that I couldn t see?

Em

Never knew this would be so political

C9

And please

D

I m still wearing this miserable skin

B4

And it s starting to tear from within

Em

But it s obvious that doesn t bother you

Em7 D

So please

Em7 D

I didn t think that you d sell me out

Em7 D

Now I know what you re all about

Em7 D

You might feel in control of things

Em7 D

But you re not holding all the strings

Em7 D

All the strings

Em7

All the strings

C9

Tell me please

D

Who the fuck did you want me to be?

B4

Was it something that I couldn t see?

Em

Never knew this would be so political

C9

And please

D

I m still wearing this miserable skin

B4

And it s starting to tear from within

Em

But it s obvious that doesn t matter to you

C9

So please

D

Don t keep telling me that it s okay

B4

I don t buy all the shit that you say

Em

And quite honestly I m fucking sick of it

C9

So please

D

If I cut off this nose from my face

B4

Then I wouldn t feel so out of place

Em

But it still wouldn t be quite enough for you

Em7

So please
