**Em**

On a long and lonely highway east of omaha

**D**

You can listen to the engine, moanin out as one long song

**A**

**Em**

You can think about the woman, or the girl you knew the night before

**Em**

And your thoughts will soon be wandering the way they always do

**D**

When you re riding sixteen hours and there s nothing much to do

**A**

**Em**

You don t feel much like travelin , you just wish the trip was through

[Refrain]

**D**

**Em**

But here I am, on the road again

**D**

**Em**

Here I am, up on the stage

**D**

**A**

Here I go, playing the star again

**C Dadd11**

**Em**

There I go, turn the page

[Verse]

**Em**

You walk into a restaraunt, strung out from the road

**D**

And you feel the eyes upon you, as you re shaking off the cold

**A**

**Em**

You pretend it doesn t bother you, but you just want to explode

**Em**

Sometimes you can here em talk, other times you can t

**D**

All the same old cliches: is that a woman or a man?

**A**

**Em**

And you always seem outnumbered, you dare not make a stand

[Refrain]

**Em**

Out there in the spotlight, your a million miles away

**D**

Every ounce of energy, you try to give away

**A**

**Em**

And the sweat pours from your body, like the music that you play

**Em**

Later in the evening, as you lie awake in bed

**D**

Echos of the amplifiers, ringin in your head

**A**

**Em**

As you smoke the days last cigarette, remembering what she said
