Verse 1:

**D7Sus4** **GSus2**

If I could walk on water

**D7Sus4** **GSus2**

Like Jesus did before

**D7Sus4** **Em**

If I knew all the answers

**Dsus4**

To keep you coming back for more

**D7Sus4** **GSus2**

If I could paint a picture

**D7Sus4** **GSus2**

And then cut off my own ear

**D7Sus4** **Em**

If I chose all the right colours

**DSus4/Sus2/D**

Would this just disappear?

Chorus:

**D7Sus4** **GSus2**

Because we run in vicious circles

**Em** **DSus4**

Until we re dizzy with this game

**D7Sus4** **GSus2**

And there s miles and miles between us

**DSus4**

Yet we still remain

Verse 2:

**D7Sus4** **GSus2**

So if I could write a poem

**D7Sus4** **GSus2**

And find the perfect words

**D7Sus4** **Em**

And then put them on music

**DSus4** /Sus2/D

Just so my voice gets heard

Chorus:

**D7Sus4** **GSus2**  
Because we run in vicious circles  
**Em** **DSus4**  
Until we re dizzy with this game  
**D7Sus4** **GSus2**  
And there s miles and miles between us  
**DSus4**  
Yet we still remain

And if I knew all the answers  
**DSus4**  
To keep you coming back for more

**D7Sus4** **GSus2**  
Because we run in vicious circles  
**Em** **DSus4**

**D7Sus4** **GSus2**  
And there s miles and miles between us  
**DSus4**  
Yet we still remain

**DSus4**

**D7Sus4** **GSus2** **Em DSus4**  
Yet we still remain
