

It Takes A Man
Aaron Lines

Capo 1

D
She locked her fingers and bowed her head
Bm **G**
She said I m late, and I m really scared
D
You can go but I hope you stay
Bm **G**
I m gonna keep it either way

Chorus:

D **G** **D**
In my daddy s El Camino, in her driveway in the rain
D **A** **G**
Staring through the windshield I could see my future change
A **D** **G** **Bm**
And my heart hit like a hammer and my thoughts were running wild
A **G** **D**
Any fool can make a baby, it takes a man to raise a child

I laid my head down on the wheel
She said I know, I know, it don t seem real
She closed her eyes, but the tears flowed through
She said don t hate me for lovin you

Chorus

Bridge:

Em
Well I could not reassure her
D/F#
I couldn t say what I had planned
G
I couldn t put three words together
A **Asus2** **A**
So I just took her hand

Chorus

It takes a man
