

**Living Out Loud**  
**Aaron Lines**

Capo 1

1st Verse:

**A**                    **D**                    **A**            **D**  
I m tired of living in this bubble  
**A**                    **D**                    **A**            **D**  
So today I m changing everything  
**A**                    **D**                    **A**            **D**  
My dream s been buried in the rubble  
   **B**    **C#**   **D**  
It s time to set it free  
**D**  
No more keeping quiet  
   **E**  
This life inside of me

Chorus:

**D**            **A**  
I m gonna start living out loud  
   **E**            **B**  
My soul s been dying  
**D**                    **A**  
To scream and shout  
   **E**            **B**  
And shatter the silence  
   **D**            **F#m**  
It s a beautiful sound  
   **G#**            **A**  
When each moment counts  
   **D**  
Starting right now  
   **A**    **D**   **A**    **D**  
I m gonna start living out loud

2nd Verse:

**A**                    **D**                    **A**            **D**  
I m not breaking any new ground  
**A**                    **D**                    **A**            **D**  
And I didn t reinvent the wheel  
**A**                    **D**                    **A**            **D**  
I m just a man who finally figured out  
   **B**    **C#**   **D**  
What he really needs  
**D**  
So I m turning up the volume

**E**

Of this song inside of me

Repeat Chorus:

Bridge:

**F#m**                    **E**  
All my demons, I have fought em  
**F#m**                    **E**  
My inhibitions, I have lost em  
**B**                                **D**  
It wasn't easy but I taught em  
**E**  
To just get out of my way  
**F#m**                                **E**  
Now every breath I'm breathing  
**F#m**                                **E**  
The air is so much sweeter  
**B**  
Now that my heart  
                                 **D**        **E**  
Has finally found a way

Repeat Chorus
