Step right up, come on in, if you d like to take the grand tour  
C# G#  
Of the lonely house that once was home sweet home

I have nothing to sell you, just some things I will tell you  
A#7 D#  
Some things I know will chill you to the bone

N/C G#  
Over there, sits the chair where she d bring the paper to me  
C# G#  
Sit down on my knee and whisper, "Oh I Love You".

D# G#  
But now she s gone forever and this old house will never be the same  
A#7 G#  
without the love that we once knew

N/C A  
Straight ahead, That s the bed, where we d lie in love together  
D A  
And lord knows we had a good thing going here

See her picture on the table, don t it look like she d be able  
B7 E  
Just to touch me and say, "good morning dear".

N/C A  
There s her ring. All her things and her clothes are in the closet  
D A  
Where she left them when she tore my world apart

E A  
As you leave you see the nursery, oh she left me without mercy  
B7 E  
Taking nothing but our baby and my heart

Step right up, come on in, come on in
