Mercy

```
[Verse 1]
Hear my cry's Lord, Hear my plea
All around me, All I see
 C#m
Are canyons of heartache Rivers of mistake
They re calling out longing for me
Hear my cry's Lord, Hear my plea
All around me, All I see
 C#m
Are canyons of heartache Rivers of mistake
They re calling out longing for me
[Chorus]
C#m
So hide me under Your wings of grace
C#m
Let your love, be my hiding place
C#m
Wash me clean, Come make me holy
For I deserve all the worst, Yet You offer mercy
For I deserve all the worst, Yet You offer mercy
[Verse 2]
When I m parched Lord, Give me drink
Pull me up from, On the brink
C#m
Dangers abound, My head is pounding
Its clouding up my clarity
When I m parched Lord, Give me drink
Pull me up from, On the brink
C#m
Dangers abound, My head is pounding
                        Е
