In the name of love for the least of these

We will rise with strength Beyond our own

Brothers and sisters to kingdom come

We will rise as one like a force un-seen

We will rise by falling on our knees

WE WILL RISE AS ONE LIKE A FORCE UNSEEN
WE WILL RISE BY FALLING ON OUR KNEES

We will rise
We will rise
we will rise
We will rise

Chorus

Together we rise
Together we fight
Together we burn like a fire in the night

United by one
United By blood
United we burn like a fire for love

Together we rise

Together we burn like a fire in the night

United by one
United by blood
United we burn like a fire for love

Together we rise

Together we burn like a fire in the night
