Aaron Pritchett

Big Wheel - Aaron Pritchett

Capo 1st fret

Verse 1:

[D] [G]  
Three feet tall, five years old  
[D] [G]  
Staring to the bottom of mountaintop road  
[D] [G] [D] [G]  
Hands wrapped tight around those plastic handle grips  
[D] [G]  
I took off flying, picking up speed  
[D] [G]  
The world was a blur of rocks and weeds  
[D] [G]  
It was all worth the pain of landing  
[D] [G]  
Getting my first three stitches

[D] [A] [G]  
Everyone said that I shouldn't do it  
[D] [A] [G]  
Cut and bruised, but I got through it  
[Bm] [A] [G]  
I've still got the scars to prove it.

Chorus:

[D] [G]  
Life's like a big wheel, keeps on turning  
[A] [D] [G] [D]  
Time runs away every day I'm learning to roll with the punches  
[G]  
Follow my hunches  
[D] [A] [G]  
Loving the way it feels  
[D] [A] [G]  
Just to be alive  
[Bm] [A] [G] [D] [G] [D] [G]  
Getting the chance to ride on the big wheel

Verse 2:

[D] [G]  
I've taken my share of dead end curves  
[D] [G]  
Had to steady my nerves and steal my courage

[G]  
Had a lot of hard landings  
[G] [D] [G]  
But I ain't hanging up my wings  
[D] [G]  
Ya I'm still ripping down that hill  
[D] [G]  
Still hangin' on with all my will  
[D] [G] [D] [G]  
Looking back now I still wouldn't change a thing

[D] [A] [G]  
I've had a few lovers leave their mark  
[D] [A] [G]  
I've broken my pride and I've broken my heart  
[Bm] [A] [G]  
But I'm gonna live the life before it all goes dark

- Repeat Chorus -

[D] [A] [G]  
Just to be alive  
[Bm] [A] [G]  
Getting the chance to ride  
[G]  
On the big wheel  
[D] [A]  
On the big wheel  
[G]  
On the big wheel
