

My Way

Aaron Pritchett

My Way

Intro: **B A E B**

B A
There s a kind of lovin that don t take much
E B
It ll leave you colder than a stranger s touch
B A
Some guys will lie late at night
E B
Then they re gone by morning light

Chorus:

B
Well that ain t my way, baby sure enough
E
If you look my way you ll find my love
A
Strong as an oak solid as a pine
B
It shines like the stars above
B
My way is moonlit nights
E
Sunny days and treatin you right
A F#
You may have been in love before
B
But not my way

B A
There s the kind of man knows all the lines
E B
The body language, the zodiac signs
B A
It s a cold cold game and he plays to win
E B
But theres always a loser when that game ends

CHORUS

Instrumental break: **B E A B**

A

F#

Well you may have been in love before

B

A

But not my way (my way)

E **B**

My way

To play it a little easier way you can capo 2 and play these chords instead of the ones listed:

A -----> **G**

B **A**

E **D**

F# **E**
