New Frontier

Intro: **D A Bm G D A G** (x2)

D **A**
Wake up baby it s time to leave
Bm **G**
We got plans and we got dreams
D **A** **G**
We got a long way to go
D **A**
Pack up all of your emotions
Bm **G**
All your faith and devotion
D **A** **G**
We re gonna need it this I know
D/F# **G**
If you re at the edge of the past
D/F# **G** **A**
Our future s unfolding fast, baby don t look back

Chorus:

D
We re going to a new frontier
A **G**
Wide open without fear I ll walk this winding road
D/F# **G**
With you into the great unknown
D
We re going to a new frontier
A
Let s trust that love will lead us
G **D/F#-G**
Right where we belong, and walk on

D A Bm G D A G

Verse 2:

I can t wait to get out of here
The wind is up and the path is clear
For the first time in my life
Our destination don t concern me
More and more I m learning
It s the journey, it s the ride

Everything is within our grasp
When we have the courage to ask, and we don't look back

CHORUS
