

What Beautiful Is
Aaron Rothe

Em
And your eyes
C **D** **Em**
You should see the way they glow when you smile
C **D** **Em**
The way your laughter sets the world on fire
C **D** **Em**
I take for granted all the moments that Iâ€™m with you
D **Dsus4** **D**
Iâ€™m with you

Em
Cause your beauty takes my breath away
G
And I love it when Iâ€™m asked to stay
C **D**
And I d bring you flowers every day to show you
Em
Itâ€™s not your make-up or your hair at all
G
Itâ€™s the girl underneath it all
C
That amazes me
D
And you are
Em **C**
What beautiful is
Em **C**
What beautiful is

Em
And I recall
C **D** **Em**
All the times we spent together in the park
C **D** **Em**
Throwing sticks under the bridges not too far
C **D** **Em**
I d close my eyes and underneath my breath I d say
D **Dsus4** **D**
I d say

Em
That your beauty takes my breath away
G
And I love it when Iâ€™m asked to stay

C **D**
And I d bring you flowers every day to show you

Em
Itâ€™s not your make-up or your hair at all

G
Itâ€™s the girl underneath it all

C
That amazes me

D
And you are

Em **C**
What beautiful is

Em **C**
What beautiful is

Em
Today was long

C **D** **Em**
All I thought about was singing you this song

C **D** **Em**
And how you d take it if you took it in at all

C **D** **Em**
And I really just want you to understand

D **Dsus4** **D**
To understand

Em
Cause your beauty takes my breath away

G
And I love it when Iâ€™m asked to stay

C **D**
And I d bring you flowers every day to show you

Em
Itâ€™s not your make-up or your hair at all

G
Itâ€™s the girl underneath it all

C
That amazes me

D
And you are

Em **C**
What beautiful is
