

What Beautiful Is
Aaron Rothe

F#m
And your eyes
D E F#m
You should see the way they glow when you smile
D E F#m
The way your laughter sets the world on fire
D E F#m
I take for granted all the moments that Iâ€™m with you
E Esus4 E
Iâ€™m with you

F#m
Cause your beauty takes my breath away
A
And I love it when Iâ€™m asked to stay
D E
And I d bring you flowers every day to show you
F#m
Itâ€™s not your make-up or your hair at all
A
Itâ€™s the girl underneath it all
D
That amazes me
E
And you are
F#m D
What beautiful is
F#m D
What beautiful is

F#m
And I recall
D E F#m
All the times we spent together in the park
D E F#m
Throwing sticks under the bridges not too far
D E F#m
I d close my eyes and underneath my breath I d say
E Esus4 E
I d say

F#m
That your beauty takes my breath away
A
And I love it when Iâ€™m asked to stay

And how you d take it if you took it in at all

D

F#m

And I really just want you to understand

E Esus4 E

To understand

F#m

Cause your beauty takes my breath away

A

And I love it when Iâ€™m asked to stay

D

And I d bring you flowers every day to show you

Itâ€™s not your make-up or your hair at all
